## **CALIFORNIA SERVICE CORPS RECOGNIZES NEEDLES RESIDENT AS A VOLUNTEER & SERVICE STAR**

SACRAMENTO -- The California Service Corps is proud to recognize Terri Anderson as one of February's 'Volunteer Stars' for her dedication and service to the State of California.

Ms. Anderson is an excellent example of a Californian who is 'bearing responsibility for California through her commitment to service and volunteerism.' We are proud to highlight her efforts and encourage more Californians to follow her example.

Ms. Anderson has volunteered at the Needles Library for over 24 years. She leads the Children's Reading Program and the Needles Bookmobile. The bookmobile delivers books to outlying areas and Terri has been known to deliver books in 120 degree heat. People have commended her on how cheerfully she helps others and that coming to the library is a pleasant experience for the young and old.

Terri also holds positions on the Needles Housing Authority, Needles Planning Commission, and as a member of the Hospital Board, treasurer of the Mohave Valley Riding Club, Community Representative for the Needles Head Start School and is an active member in the Needles Rotary Club.

There are over 290 AmeriCorps service opportunities in San Bernardino County alone and countless other service or volunteer programs for people to select from and participate in. Whether you have an hour a week or a day a month -- everyone can serve.

The California Service Corp seeks to provide meaningful forms of volunteerism and service to the people of California who want to strengthen and support their state through service. For more information about the California Service Corps and other service and volunteerism opportunities in California log on to: [www.csc.ca.gov](http://www.csc.ca.gov)
